Dedication

In appreciation of their guidance, devotion, service, and genuine concern for us, we, the Senior Class of Anderson Creek High School, dedicate the 1969 edition of the ANCRENOCA to Mr. Robert Futrell and Mrs. Lucy B. Johnson.

Dedication to Our Parents

We, the Senior Class of Anderson Creek High School, would like to take this opportunity to express our appreciation for the many years which our parents have devoted to us.

We are indebted to them. They have guided us through these twelve years. They have worked hard and sacrificed much so that we might obtain a good education.

Although our parents will not always be with us, their influence will have a place in our lives.

Our feelings cannot be expressed in a few words, but we hope that this small tribute will, in some way, help us to say "thank you."

PAST

Eight and thirty Freshmen stepped into the world of high school,
Well-prepared, yet knowing not what high school life would bring them.
They expected difficulties, but instead encountered facilities -
Notwithstanding all the teachers who would not presume to bow to every whim.
Now two and thirty eager Sophomores gathered there to take their second step easily.
Their homeroom teacher, Mr. Robert Futrell, guided them so patiently,
Showed them th'entrancing effects of formaldehyde in Biology.
A maximum of talk and minimum of work began their treasury.
The most exciting year - their Junior one - began with twenty-nine steadfast students.
Their money-making projects for the Prom were boosted generously by Miss Clare Thomas.
By using "Love Is Blue" as theme, the class created blue and silver wonderment.
The scenery and most materials were splendidly designed by th'class.
The Senior class was joined by ten and nine who, before, attended Shawtown High School.
September, '65, then marked the beginning date for one hundred forty-five
Enthusiastic Freshmen who were guided zealously by Mrs. L. B. Johnson.
When one of them received some twenty-two awards, the rest were more intent to strive.
Their Sophomore year brought more sophistication speedily as several smart students
Began to serve their classmates actively as representatives to the Student Council.
The leadership of one bright student made their Junior year the one of excitement.
Advisors, Mr. W. E. Crews, Mrs. Dorothy Benjamin, and Mr. W. Exum
Were dedicated counselors who worked to make their Junior Prom,
With the theme of "Paradise Isle," a memorable highlight for Shawtown students.

PRESENT

As Seniors, the class has begun to realize that they are treated differently.

There is respect where once there was neglect.

There is maturity where once there was adolescence.

There is an eagerness for the day of graduation to come;

But a certain sadness will appear when high school days are done.

Under the guidance of Mr. E. B. Taylor and Mr. W. M. Exum, plans are being made for the Senior year.

With the help of Mrs. Helen Stewart, the annual staff has begun their work

To produce a yearbook of truth and worth;

And also as a remembrance when they are no longer here.

FUTURE

When the moment is finished, it must be forgotten: thoughts must look forward.

The past has been remembered; the present, considered.

Now another goal for life must be chosen to work toward.

This goal should be tempered to regard the means that affect the end.

The means should include the attitude that God's will is supreme.

With this thought in mind the completion of a worldly goal is unimportant

When one considers that the finest goal of all is to aspire for heaven

CLASS MOTTO
In trying times, try.

Class Prophecy

The year is 1989. I have decided to take a long vacation to visit the various places of the world to see my fellow students from Anderson Creek's class of "69."

For the first couple of days, I went to see the New York Mets baseball club play the Green Bay Packers. On the mound was Harold McLean. Kathleen Bull was the news reporter for the DAILY PLANET. Peggy McLean was the cartoonist along with Macey Elliott, typist, and Kathy Thomas, secretary.

I took a plane to Viet Nam where Charles Norris was a drill sergeant. He had James McPhatter and Glenn Shaw running crazy. This was a job for Betty Coats, Jewel Taylor, and Elmo Cameron. Believe it or not, they are psychiatrists.

Mike Hardison, one of Marshall Darroch's main mechanics, gave me some information on the whereabouts of a couple of friends.

I got back on the jet where I found Patsy Ashley, Brenda Puryear, and Nancy Ray as stewardesses.

I went to East Berlin to a hospital where Edna Walker, Helen Ferguson, Elizabeth Smith, Lucille Williams, and Jane Rudisill had big plans to kill all of the patients. Earl McNeil is the hospital's best carpenter.

In Germany, Johnny McKoy and Charles Elliott have a barber shop in partnership with Shirley Barney who is teaching a course to beauticians.

In Washington D. C., we find Samuel Tart in the presidential seat, along with Marie Shaw as Secretary of State.

In Patterson, N. J., we find Charlie McNeil as an outstanding artist, with Mary Bell as his model and Edward McNeil as his assistant.

Back in N. C. at our precious A.C.H.S., on the payroll is Wilma Thibodeaux, Jennifer Smith, Claudia Holmes, Eulastine Elliott, Linda Ingram, and Sue Parker. They are the outstanding teachers of the school.

Down in California are Mike Shaw and Warren Davis. They are the leading clowns for the Taylor and Exum Circus. Cleve Stowers and Becky Ryan are in the refrigerator business. Still in California, we come across Annie McLean and Connie Womack fighting for the title of "Miss Secretary."

In Spring Lake, we will definitely find Johnny Mize operating the "Kentucky Fried Chicken Shop" with Geraldine McLaughlin, the world's greatest business administrator.

Hubert Barefoot is happily married and has a fine family of 18. Sandra Sypert is also happily married and is a fine mother of 15.

My name is Charles Hicks and I hope to be a genius working in the White House,
but I doubt it. I will probably be on the Avenue.
